

Nursery/Production Supervisor

The Company

A family business Established over 48 years ago we are a leading domestic landscape business based in the West Midlands, as part of the company's ambitious growth and diversification plans, we have expanded our Wholesale Cash & Carry operations at our 4-acre Nursery site and our production glass house local to the main site. The company has plans to expand further its trading activity into the landscape market.

This has created an exciting opportunity for a self-motivated person with a can-do attitude to join our friendly, people focused team.

Purpose of the Role

To assist the nursery in the production of a range of perennials, trees and shrubs while also maintaining quality of traded stock.

The role requires a person with experience and a pro active approach to nursery work. You will be expected to work closely with the sales team to achieve required quality for sale.
